## What's Up:

Please come and join Team Colorado Whitewater Racing Club over the Thanksgiving Break for a warm, whitewater slalom camp at the Rio Vista Whitewater Park. We will be carpooling and hauling boats from Colorado. As usual, we will rent a house that can accommodate everyone so that we can all stay in the same place and eat family style.

- San Marcos is located 30 minutes south of Austin, TX.
- Average November daytime high temperature is 71 F.
- Average water temperature is 72 F.
- The whitewater park consists of 3 class II-III drops with deep edies, ideal for developing technique
- Water levels are back up and stable due to heavy rain this Fall
